Said bill was then sent to the Senate.

Mr. Montague, Chairman of a select committee, submitted the following report :

*To the Honorable the Speaker and Members of the
House of Delegates of Maryland :*

GENTLEMEN :—

The undersigned, appointed a committee to visit the Manual Labor School, beg leave to report, that they have discharged their duty. They found a happy family of boys, under good training, being educated for any sphere of life ; and your committee beg leave to say, that this institution is deserving of the fostering care of the State. In the present demoralized condition of labor, it occurs to your committee that this is the radiating point from which can flow all that is needed to supply the help the farmer wishes.

Your committee do honestly and sincerely ask the appropriation of \$5,000 for this worthy institution.

Very respectfully,

C. P. MONTAGUE,

Chairman.

R. P. T. DUTROW,

JAMES PENTLAND,

THOMAS W. HAMMOND,

H. T. SMITH.

Which was read.

Mr. Montague moved that the House do now adjourn until Monday morning, at 11½ o'clock.

The question being upon concurring in the motion,
